

Thanks be to God and the Christian Terrorist

By Chuck Spingola

I recently read an article about Clay Waagner entitled, “The Quiet Fall of an American terrorist”. The article, written by Frederick Clarkson, rightly identified Clay Waagner, Eric Rudolph and James Kopp as Christian terrorists. Ellie Smeal, President of the Feminist Majority Foundation notes, “But the investigative work that would lead you to the next one (Christian terrorist) is falling short. There are people still at large who aided and abetted Kopp and Rudolph ...The odds are we are not done with this, and we won't be until the core that has been encouraging violence, itself unravels.” Comparing the statistical death tally of 44,000,000 innocent babies compared to 7 guilty abortionist you would think Mrs. Smeal would apply her statements to those who murdered the former group rather than the latter, but not so. Does Mrs. Smeal mean to put in jail all those who believe in and or acted upon the defensive action doctrine? This brings the prediction of the conspiracy theorists one step closer to reality.

The federal department of justice's “war on terrorism” will not only be waged against the Muslims nations but also Christian terrorists in our homeland. One might ask what do the Muslims and Christians have in common? The Holy Bible and Koran both condemn baby murder and homosexuality as capital crimes. The radical elements of both religions are willing to do more than talk to resist the societal promotion of both these capital crimes. The foreign terrorists (Muslim) resist the imposition of the United States/United Nations charter, which promotes “population control”(abortion) and “diversity”(homosexuality), while the Christian/domestic terrorist simply resists the “law” of the land, which promotes and often subsidizes abortion and homosexuality.

The article noted, “There was a time in 2001 when for the first time in history, three of the FBI's ten most wanted criminals were antiabortion domestic terrorists”. What a sad commentary this is! The days of womb children murderers being found on the FBI's ten most wanted list is over. We have devolved. Now, in 2001, 30% of the Feds ten most wanted are notoriously listed as criminals for defending womb children from their paid assassins. Magistrates and their government agencies must be “*able men, such as fear God, men of truth, hating covetousness;*” *Exod 18:21 (KJV)*. Civil and military leaders who meet these qualifications have been, for the most part, purged from positions of leadership in the United States of America at an accelerated rate over the past 15 years. Judge Roy Moore is a prime example of this.

“For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: 4 For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he

beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil". Rom 13:3-4 (KJV)

Considering what Romans chapter 13 has to say about rulers it could logically be concluded that the Christian terrorists Waggnar, Rudolph, Kopp etc. qualify as "minister(s) of God" more so than America's Department of "Justice" and its subsequent agencies. Indeed the wicked should be terrified of good men. Impenitent baby murderers, sodomites, adulterers, man stealers, pedophiles, rapists, etc. should indeed cringe in the shadows at the presence of a God fearing man even as they would cringe before Jesus because they are to act as his body on earth, receiving Him as their Governor. I have heard it said that Christian terrorist Clay Waagner, did some things wrong before and during his 10-month reign of terror. It has been said that he does not deserve hero status or recognition because he is a bank robber and car thief. Perhaps it should also be noted that this bank robbing, car thieving, terrorist is directly responsible for saving the lives of 5,000 innocent babies. His reward will most likely be life without the possibility of parole. Waggnar's response is, "A small price to pay". So what have brother Clay Waggnar detractors done so great as to qualify them to stand in judgment of his deeds? Prudence would suggest we leave his * war time actions for God to judge, and give honor to whom honor is due. Chalk up another Hallelujah and a hip hip hooray for the Christian who terrorized the entire nations abortion industry with out firing a shot.

* For those who don't believe a war is going on, it is only because you don't see its casualties or hear their screams.

The salt has lost its savor.

For the most part the wicked are no longer terrified of the God fearing man. Where there is no fear of God's people, there is no fear of God.

"How is the faithful city become an harlot! it was full of judgment; righteousness lodged in it; but now murderers". Isa 1:21 (KJV)

The wicked civilian and the Federal Government appear to be co-conspirators in their coup to overthrow Christ and his people. Queer Boy Scoutmasters, abortion on demand, and same sex marriage is all part and parcel of this godless takeover of God's America.

Those blessed few that actually do terrify the wicked are vigorously denounced and punished by the government "of the people". I often weep over the oppression and persecution of the Christian terrorist in this country for it accomplishes three goals. First, it comforts and strengthens the wicked. Second, it discourages the would be CT from action. Third, it makes the CT feel alone in his cause.

Most of the time when I leave the killing place my self-esteem diminishes as I have failed where others have succeeded. The baby butchers and their subordinates were not terrified at my presence nor from my actions. I think to myself, "I did not save the life of one person slated for death". Today, 4,400 babies were murdered yet again, because yesterday the killers would not be TALKED out of their crimes. Pleading, politics, and pandering have done precious little to stop the holocaust against the innocent. Their death toll rising to 44,000,000 in the last 30 years. Oh, but the Christian terrorist is not so inadequate. Dead abortionists don't kill babies, and a fire bombed death camp can no longer facilitate the holocaust against them.

As cream rising to the top of the milk, so the Christian terrorist rises above the huddled masses of churchgoers and the many voices which denounce their violent attempts to defend the innocent from they're murderous assailants. Regarding abortion the separation is clear. The CT has the Word of God and a testimony of loving, albeit terrifying (to the wicked), actions.

"And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held:" Rev. 6:9

The huddled masses of churchgoers have the Word of God alone, interpreted through fear colored glasses and played upon tinkling symbols and sounding brass. "Be ye warmed and filled" they sing to the womb child slated for death. Adding insult to injury, they not only discriminate against the pre-born but also denounce those who will not do likewise. This was no more apparent than on September 3, 2003. The day's events "outed" many a "Christian/pro-life" Clergyman. Indeed this could have been their best opportunity to secure *"the uppermost rooms at feasts, and the chief seats in the synagogues"*. Like media savvy Pharisees voicing government sanctioned opinions, so were they in their denunciation of Hill's actions.

On this day, without the benefit of a trial, the Reverend Paul Jennings Hill was to receive his reward for shooting a known mass murderer of babies, death in Florida's execution chamber.

"And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth? 11 And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled." Rev 6:10-11 (KJV)

Never before in the history of the United States has there been reason for a God fearing

man to be vexed to the core of his being such as now. There is no end in sight to baby murder. Pleading, politics, and pandering have done precious little to stop the holocaust against the innocent. Four thousand more will be murdered today. Turning your back on them is to turn your back on Christ, leaving you robbed of your manhood and soul's salvation. Defending the babies with force unleashes all the powers of the United States Department of Justice upon your head. On the FBI's 10 most wanted list you will be hounded and persecuted by many and to no end.

Let's consider other options. There must be something that can be done to save a baby that is pleasing to God and the government at the same time. Yes, it is possible to save a baby, one here and one there, as the heroic sidewalk counselor does. Even the attempt diminishes the culpability of inaction; does it not? Saving babies within the government sanctioned methods is better than nothing, right? As we consider these questions let us praise God Almighty for the brave Christian that flat out terrorizes the wicked. Like the terrified masses praying for death rather than face the wrath of the Lamb, let us pray that all the politicians, judges, and those who otherwise assisted the baby butchers will be terrified to death before tomorrow's baby killing begins. Shall we?

“And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; 16 And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb :17 For the great day of his wrath is come; and who shall be able to stand?” Rev 6:15-17 (KJV)
